SOURCE

1. From various discussions it became apparent that in the whole DDR no specialist for thermite welding is left.
2. SAG "Kautschuk" inquired where rubber can be ultrasound tested or where the proper ultrasound apparatus can be bought.
3. Transformatorwerk VEB Dresden, formerly Koch & Sterzel, inquired at the Kammer der Technik where it could obtain the following: Mn, Fe, Co, Va, Ni, and filters for precision x-ray cameras.
4. Health Minister Steidle is very worried because the ASID in Dessau is not working satisfactorily. "Our great need now is mass immunization material."
5. A new cancer research institute is to be opened on the estate in Exxleben (Y40).
